## Roller Grill / Warmer Combo

Cook, hold and serve hot dogs with warm condiments in the highest of high-volume foodservice applications—a sports venue filled to capacity . . . . . **NEED**

Serving, literally, a hungry “crowd” within extreme space limitations typical of sports concessions . . . . . **CHALLENGE**

Merge a 75-count roller grill with a full-size warmer into one countertop unit, maximizing the operator’s efficiency of space and motion . . . . . **SOLUTION**

Having everything contained in one space, the operator can move quickly to satisfy both the service-speed and food-quality demands of customers . . . . . **RESULT**
